As the Coronavirus crisis continues to reshape the personal and business landscape around the U.S., Jeddy Ventures LLC DBA SerialComm, EthoSwitch LLC, and Sima S. Enterprises LLC - privately owned and operated companies sharing the same resources, are designated as an essential Supply Chain contributor to: government agencies, hospitals, engineering firms, manufacturing plants specializing in medical equipment, and research facilities, and is identified as a member of the national recovery effort to COVID-19 under the U.S. Department of Homeland.

In addition, we are actively monitoring the CDC Guidance and in accordance with the CDC Guidance for Business and Employers, all three companies will be taking a diligent approach to assure the safety and health of its employees and its clients by taking the necessary steps:

1. In accordance with CDC Guidance, all buildings and offices have a 25% limited capacity.
2. In accordance with CDC Guidance, all employees must wear a mask, that covers nose and mouth when inside a building and or office.
3. Most employees have a modified schedule, which allows them to operate virtually and prevents crowding in buildings and offices.
4. Only designated personnel are allowed in the buildings and only as required.
5. All employees must adhere to the CDC Guidance for social distancing.
6. All offices are supplied with anti-bacterial soap and sanitizers for employees.
7. Employees will wash hands throughout the day especially when handling product.
8. Each building is sanitized daily.
9. Any incoming shipments are isolated and kept at isolation for a 72-hour period.
